

PNN CLUB

Dear students and families,

PNN, Panther News Network, is a news program on Ponderosa's closed-network TV channel that communicates important information to students and staff. This year, PNN is moving online! PNN will air once a week on Ponderosa's closed-network TV channel, but most of our content will be on the Ponderosa Special's Website:

<http://www.ponderosaspecials.com/pnn>. The students in PNN Club will write and report news stories for our morning program as well as for our online news page. **This permission slip is for the Spring PNN Club. The Spring PNN Club will begin Monday, January 23 and will end Monday, March 20.** If you are interested in participating in PNN Club here are a few things to consider:

- PNN Club will be **Mondays** from **8:00 to 8:45** beginning **January 23 and ending March 20** (excluding holidays, days we are not in school or delayed start days). PNN Club students need to commit to every meeting.
- Please line up outside at the side gym door – door 16. The door will close promptly at 8:05 so you must be **ON TIME!** Students will go to breakfast or outside after PNN Club until the bell rings to line up.
- PNN Club students need to have a passion for reading, writing, reporting, filming and movie making. You must also be a student leader, always showing Panther Pride and keeping up with your schoolwork. For students who show they are leaders and are responsible by attending every meeting will have the opportunity to be anchors for our live news on Mondays.
- PNN Club students will also need a completed Media Waiver with permission to be filmed for videos that will be uploaded to the Internet.

If you are interested in joining PNN Club, please have a guardian fill out the bottom portion and fill out the media waiver on the back. **This form is due our first meeting January 23!** We look forward with working you!!
